REPORTS UEMS SPECIALIST SECTIONS AND EUROPEAN BOARDS

Meeting 21 May 2005 – Brussels

ALLERGOLOGY AND CLINICAL IMMUNOLOGY

Two meetings were held in 2004: On June 12, we met in Amsterdam, 18 delegates from 14 countries attended. Relations with the new European countries, CME credits, website, and the visitation of training centers were discussed as well as the Core Curriculum for Training in Allergology and Clinical Immunology.

On October 8 – 9, we met in Helsinki, 22 delegates from 17 countries. We were welcomed by the UEMS President, Dr. Halila. A mini-symposium on different scientific aspects of allergology was followed by reports about the situation of Allergology and Clinical Immunology in the different European countries. The Core Curriculum was a great help for several European countries who implemented it into their national training programs.

Our next meeting will be held during the EAACI – WAO Congress in Munich, Germany, on Sunday, June 26. Our fall meeting will be held in Budapest, Hungary on Saturday, November 4.
